

## **e-Bike Policy**

### **E-Bikes at the Pierson Library**

#### **How it works**

- Borrow and return to the first-floor information desk.
- Bikes always go out on Thursday and must be returned the following Tuesday.
- Bikes have their own borrowing agreement.

#### **Borrowers must:**

- Be a resident of Shelburne
- Have a library card in good standing
- Reserve a bike ahead of time.
- Present ID when checking out the bike
- Sign a waiver releasing the Town and the Library from damage or physical injury
- Receive training and orientation
- Be 18 or older
- Have a helmet, or borrow one from us
- Ride the bike away or put the bike in a vehicle for transport. They are too heavy for a standard bike rack.
- Store the e-bike indoors, to protect it from weather and theft
- Return e-Bike clean
- Return with battery charged to at least 80%
